

SAN PEDRO & VALLEY HIGH RESORT COMMUNITY
NEWSLETTER MAY 2022

MESSAGE FROM THE ACTIVITIES DIRECTOR

A BIG Thank You to everyone, Resident's, Snowbird's, and guest's of the park for a fabulous winter season! Our calendar was full of fun activities, many lead by volunteers! As summer is with us, and many people heading for home or vacation the calendar is scaled back a little; there are many new activities scheduled, and I would love to hear from all of you for ideas of things you would like to see on the summer calendar! I made every attempt to contact the leaders of each activity to see if it will be continued throughout the summer, I did not hear back from everyone, so please forgive if your activity should or should not have been placed on the calendar.

Blessed Be, Jan Ramelli, Activities Director

We also have a wonderful outdoor pool in Valley High that is open from 7:30 AM to 9:00 PM.

The park has given permission to proceed with a Cactus Garden to the west of lot #132. During the month of May with the help of the park we plan to plant 2 trees, and a variety of native cactus. If you have a start of a native cactus, please bring it by lot #132. We would LOVE donations of "Torch Cactus"; you could purchase those at nurseries in Tucson (B & B Cactus in Tucson has an amazing variety)

A BIG Thank You to the Homeowners Association who made a generous donation that will help in the purchase of 2 trees and a park bench! We would love to have 2 benches; you could consider donating a "memorial bench" in honor of a loved one. Please contact Jan Ramelli, 530-200-4271 if you can help!

They are looking forward to seeing everyone this summer. Lots of fun! Good way of keeping in touch for the summer warriors! If anyone has any donations, see Gail or Darlene!

RATTLESNAKES

Be mindful, it is rattlesnake season! During the day they seek shade and at night they are on the prowl looking for food and seeking warmth from the asphalt!
